

509 Narberth Women Cast First Votes In Tuesday's Presidential Election

AND STRANGE TO SAY, NOTHING AWFUL HAPPENED IN SPITE OF ALL THE DIRE PREDICTIONS—HARDING AND COOLIDGE WIN BOROUGH BY BIG MAJORITY—ELECTION BOARD HANDLES DIFFICULT JOB WITH SPEED AND EFFICIENCY—PROMINENT DEMOCRAT LOSES HIS VOTE.

Well, it was a big day for our own home town of Narberth last Tuesday, just as it was for every other city, town, village, hamlet and cross roads center all over this whole country; and so far as we have been able to find out, the world didn't topple over or come to an end or "nothin' else extraordinary happened" as a result of the women casting their first votes.

No babies or little children suffered on account of their mothers being away from home for a few minutes, and we haven't noticed that any of the husbands have had an especially "lean and hungry" look since Tuesday morning.

Moreover, to the best of our knowledge and belief, the mothers, wives, sisters, aunts, nieces of Narberth, as elsewhere, are just as charming, graceful, and "ladylike" today as they were prior to 7 A. M. last Tuesday!

We wish to record the fact, too, that the election officers report that the ballots were marked with more general efficiency, and that fewer mistakes were made by the voters of our borough on Tuesday than in any previous election in our local history.

Gosh all hemlock! you don't really mean to say that the fact that ladies were thoroughly informed and all primed to handle their ballots intelligently, really caused the men to spruce up and be a little more careful than usual? Well, dearie, it certainly looks that way.

Republicans Win by Big Majority.

Howsomever, on with the news of the actual vote.

Narberth was carried by Senator Harding and the rest of the Republican ticket by a big majority, the Harding ticket getting 926 votes to 231 cast for Governor Cox. But the latter made a remarkable showing in this overwhelmingly Republican borough.

The women made an excellent showing, 509 of them voting, or over 54 per cent. of the total of 932 women registered. Considering that this was the first time that the women have been eligible to vote, and that naturally there were some who hesitated—for one reason or another—about going to the polls, and that some were kept away by illness, and that others were unavoidably out of town, and that the storm late on election afternoon kept some men as well as women from reaching the polls—considering all these things, we feel that the women of Narberth made an excellent response to their newly won responsibilities and duties as voting citizens.

The total registration for the borough was 1,937. Of this number 1,005 were men, of whom 670, or 67 per cent., voted. Add to the 670 men who voted, the 509 women who cast ballots, and you will find that out of a total registration of 1,937, votes were cast by 1,179, or 60 per cent. There is, of course, room for improvement here, but considering the weather and other things, Narberth has nothing to be ashamed of.

One interesting side light on the local returns was that Senator Penrose, to whom there was considerable opposition, particularly among the women, ran 59 votes behind the head of the ticket, Congressman Watson, who was also up for re-election, ran considerably behind the head of the ticket, too, receiving 37 fewer votes than President-elect Harding.

The only woman on any of the tickets, Leah Cobb Marion, Prohibition candidate for U. S. Senator, made a remarkably good showing, receiving 50 votes. Mrs. Hultholland, of Narberth, received one complimentary vote for the same office.

Narberth's Biggest Election.

It was by far the biggest election—in point of votes cast—that our bor-

ough has ever experienced. The election officers were on the job before 7 A. M., and they did not finish counting the ballots until 1.15 Wednesday morning. Judge Trotter and his staff, including W. J. Kirkpatrick, E. V. Smith, Jesse Harris, Robert E. Pattison, Jr., Linn Trotter, and Robert Mueller, handled the voters with efficiency and dispatch, and the excellent arrangements that they had provided—notably the extra booths—were thoroughly appreciated by the voters. Narberth is certainly to be congratulated on having such an efficient and uniformly courteous Election Board.

Mrs. William J. Kirkpatrick had the honor of being the first woman to cast her ballot, and Mrs. Anton Wohlert cast the second. Mr. Jacob K. Lessey was the first man to vote.

Why Cox Was Defeated.

Wild consternation—or something like that—reigned when one of our leading Democrats—and HE wasn't a woman—dropped his ballot in the box but forgot to mark it. He wanted to extract it and mark it and then vote it, but the election officers, while desiring to oblige him, could not, under the law, consent to his request. Which probably accounts for Governor Cox's defeat—at least in Pennsylvania!

Outside of Elm Hall—and outside the legal limit—members of the League of Women Voters were on duty all day, ready to explain the technicalities of the ballot from a purely non-partisan standpoint, to any women who wanted any information as to the proper and legal method of marking a ballot. And in this way they rendered a genuine citizen service in a number of instances.

One of the voters—and again HE wasn't a woman, questioned the knowledge of one of these representatives of the League of Women Voters concerning the ballot and how to mark it. And she called his bluff so promptly and demonstrated her knowledge of how to mark a ballot and vote, so thoroughly, that the onlookers were quick to respond with a round of cheers for her.

Tuesday was probably the last election that will be held in Narberth with only one voting place. Council is planning to create two and possibly three voting divisions before next spring.

THE FIRESIDE

The regular monthly meeting of the Narberth American Legion Building Association was held Tuesday evening, and that of the Narberth Building and Loan Association on Thursday evening.

Don't forget the meeting of the Women's Auxiliary of the American Legion on Monday, November 8th, at the Legion Headquarters, Essex and Elmwood avenues.

At such an important meeting as was held Monday evening at the Methodist Church, where the opportunity was given to learn regarding voting on the Constitutional Amendments, the crowd was small.

Save Thursday evening, November 11, for the Main Line American Legion Armistice Day celebration, to be held in the High School Auditorium at Ardmore. Free tickets can be obtained from any member of the American Legion Post in Narberth.

Have you seen Pluff? She is a gray cat with wonderful long gray fur and belongs to Betty Hoffman, daughter of Dr. and Mrs. R. C. Hoffman. Pluff has been missing for several days and any information about her will be very much appreciated by the Hoffman family.

The annual meeting of the Narberth Branch of the Needlework Guild will be held Wednesday, November 10, at 2.30 P.M., in the Sunday School room of the Presbyterian Church. Mrs. Elmer Holmes, of Tacony, and Miss Kershaw, of the Society for Shut-Ins, will be the speakers. The public is cordially invited to attend. Directors will please bring their garments at 10.30 A. M. Luncheon for the Directors at 12 noon.

Township Commissioners Pass Ordinance to Stop Injury to Public Roads.

Any person burning leaves, paper, rubbish, etc., on township highways that have a bituminous or other patent surface, will be subject to a fine of \$25.00 according to an ordinance adopted at the monthly meeting of the Lower Merion Commission on Tuesday evening. So many of the roads have been injured by the careless burning of leaves and rubbish that the Board decided they would have to take measures to stop this trouble.

With the exception of Mr. Barker, who was ill, all the members of the Board were present and considerable routine business was transacted.

A road is being constructed from the State road to the proposed township dumping grounds and the Commission are making arrangements to start the collection of ashes early next year.

The Finance Committee will use a portion of the surplus balance in the general fund to redeem outstanding township bonds.

The Building Committee issued 32 permits last month. The Police Committee reported several robberies and accidents, and among the arrests made were 16 cases of drunkenness.

Mr. Ludlow reported a preliminary meeting of representatives of townships of the first class and the discussion of various plans to be taken up at a State convention next month in the interest of needed legislation.

County Controller Horace W. Smedley made a brief address, in which he told of the work being done by the County Board of Commissioners and plans that are being made for future improvements.

ANNUAL MEETING OF MAIN LINE FEDERATION OF CHURCHES.

This meeting will be held in the Narberth Presbyterian Church next Tuesday evening at 8 o'clock. Dr. Andrew Mutch, of Bryn Mawr, will preside and Prof. Frank Watson, of Haverford College, will make an address on the theme, "The Good Samaritan of the Twentieth Century." The annual report of work done will be presented by Miss Evelyn Walbaum, the Social Service Secretary.

Let us all show by our presence at this meeting next Tuesday evening our interest in this Main Line Federation of Churches, which has done such excellent work in Narberth as well as elsewhere along the Main Line.

HALLOWE'EN PARTY.

A Halloween frolic was held at the home of Mr. and Mrs. William Nagle and Mr. and Mrs. Harry Cafferty, 120 Woodside avenue, Saturday, October 30th.

The clowns, Aunt Jemimas, dolls, organ grinders, "ladies," etc., entering by way of a cobweb door, found the house elaborately decorated and very novel entertainment provided.

The guests included: Mr. and Mrs. Furr French, Mr. and Mrs. Frank Black, Mr. and Mrs. Roy W. Malsbury, Mrs. Ella Holland, Mrs. M. G. Turner, Mr. and Mrs. George B. Suplee, Mr. and Mrs. A. C. Staples.

NARBERTH WOMEN POLL HEAVY VOTE.

Women began coming to the polls early in the morning and continued throughout the entire day—casting a total of 509 votes. Mrs. William Kirkpatrick was the first woman to cast her ballot.

Representatives of the League of Women Voters were at the polls throughout the day, in the endeavor to instruct the women voters as to the correct marking of the ballot when necessary, and thus avoid its invalidation. It was very interesting for those who were at the polls to observe the very matter-of-fact manner in which women exercised their

franchise. It was evident from beginning to end that they knew what they were doing and in many cases acted quite independently of any of their male relatives.

That no ballots were invalidated speaks for itself.

LEAGUE OF WOMEN VOTERS COMPLETES ORGANIZATION.

The League of Women Voters met at the Methodist Church on Tuesday evening for a twofold purpose: First, to complete its organization by the election of officers, and secondly, to disseminate any information possible as to the correct usage of the ballot on election day.

The following officers were elected: President, Mrs. C. P. Fowler; Vice-President, Mrs. A. B. Ross; Secretary, Miss Anna McKeag; Treasurer, Mrs. Edgar Cockrill. The speaker of the evening was Mrs. H. L. Schwartz, chairman of Montgomery County.

The League added a large list to its membership. Every woman in Narberth should be a member of this non-partisan league and support the objects for which it was formed, namely, to increase the effectiveness of women's votes and to further better government. Membership dues for one year are \$1.00.

The above department should be of the greatest use to the community, the list contains the name of every professional man, tradesman, mechanic, shopkeeper, etc., who does or can in any way serve his fellow-townsmen, and who is progressive enough to add name to list of Register. As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such, it would be most helpful if those not now found in the printed list would send in a memo of their names, address, phone numbers and businesses or professions for listing. This will cost as follows: 10 cents each issue for 2 lines; 5 cent for each additional line.

been received at Legion national headquarters, in Indianapolis.

The gift was made possible by the remittance to the Y. M. C. A. by the French and American Governments of transportation charges for post-exchange supplies. The first installment of \$100,000 was received several months ago and the final sum was delayed until the Y. M. C. A. received the final audit of its work in France.

Investment of the money in a trust fund, which was voted by the National Executive Committee of the Legion, was endorsed by the Y. M. C. A. The interest on the sum will be used to further the activities for the benefit of ex-service men in general.

TWO GIFTS OF THE K. OF C.

The keystone of the bridge at Chau-Thierry, forever famous as the spot where the 7th Machine Gun Battalion, Third Division, held the crossing of the Marne, in all probability will be laid as the corner-stone of the American Legion Memorial Building to be erected in Indianapolis. The keystone was presented to the Legion at Cleveland by the Knights of Columbus, who brought it back from France while on their trip to give a statue of Lafayette to the City of Metz. The recent K. of C. offer to the Legion of \$5,000,000 to erect a memorial building in Washington, D. C., in honor of America's war dead, was taken up with the Vice-Commanders by Commander Galbraith and the matter was referred to the National Executive Committee for final action. The committee is to make its decision at its next meeting on November 15.
