

## McCahill and Eastmead Spring Surprise in Tennis Tournament

WIN EXCITING, HARD FOUGHT MATCH FROM VAN AUKEN AND McKELL—SEMI-FINALS IN DOUBLES TO BE PLAYED THIS AFTERNOON—RAIN INTERFERED WITH SCHEDULE ON LABOR DAY.

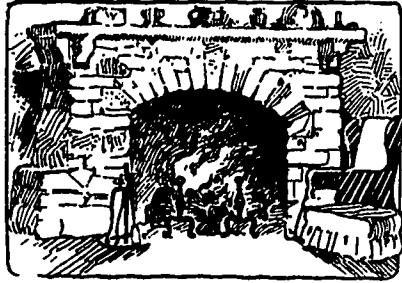

Old-Man-Rain-in-the-Face, a familiar figure around these parts for some time past, did his best to spoil the opening sessions of the annual tournament of the Narberth Tennis Association, last week-end. And, in a measure, he succeeded—forcing a halt in the matches scheduled for Monday afternoon, but not until two of the teams in the doubles contest had staged one of the most exciting and hardest fought matches ever seen on the local courts. In this notable event Messrs. McCahill and Eastmead won a three set match from Messrs. Van Auken and McKell by the following scores: 4-6, 11-9, 12-10. The former thus won their way in the lower bracket to the semi-finals, which are scheduled to be played this (Saturday) afternoon.

At 2 o'clock today, McCahill and

of every one they took the set 11-9.

Van Auken and McKell again led in the third set, only to be overtaken at 5-5 by their determined opponents. Then they see-sawed for three-quarters of an hour or more. Meanwhile it had rained and drizzled and stopped and then drizzled some more. Referee Walter Shaw said he didn't know whether it was last spring or next fall. Jim Scanlon went home, had lunch, returned for the afternoon, and the quartette were still playing. Roy Williams "paged home" and put away three or four quarts of milk and seven or eight sandwiches and returned, and the big match was going on just the same.

Bert Simpson, the well-known farmer and baseball pitcher and "former" tennis star, contributed a one-quart milk bottle of Springfield, which the

## Women Voters of Narberth

PAY YOUR POLL TAX AT FIRE HALL TUESDAY AND WEDNESDAY, SEPTEMBER 21-22, 10 A. M.-5 P. M.

For the convenience of women voters of Narberth, Mr. Carden Warner, assessor, has made arrangements whereby women may pay their assessment at the Fire Hall at the time and place mentioned above.

This is being done to facilitate matters and in an effort to have every woman voter eligible to vote on election day.

Plans are also being made to hold a meeting on Friday afternoon, September 24th, in Elm Hall, for the purpose of organizing "The League of Women

Voters." A speaker from headquarters will give the necessary instructions on how to use the ballot so as to eliminate as far as possible any errors or misunderstandings.

Every enfranchised woman should consider it her duty to be at this meeting. It no longer matters whether your interests were previously with the opponents of suffrage or not, the power to vote has now been granted to you, and every woman should exercise this privilege in a public spirited and patriotic way.

For God and Country, we associate ourselves together for the following purposes: To uphold and defend the Constitution of the United States of America; to maintain law and order; to foster and perpetuate one hundred per cent. Americanism; to preserve the memories and incidents of our association in the Great War; to inculcate a sense of individual obligation to the community, State and Nation; to combat the autocracy of both the classes and the masses; to make right the master of might; to promote peace and good will on earth; to safeguard and transmit to posterity the principles of justice, freedom and democracy; to consecrate and sanctify our comradeship by our devotion to mutual helpfulness.—Preamble to the Constitution of the American Legion.

### OUR NEW HOME.

The Harold D. Speakman Post, 356, Narberth, Pa., has leased with an option to purchase "The Little Office" at the corner of Elmwood and Essex avenues, on the south side of the railroad.

Last Saturday four experienced carpenters and six or eight first-class helpers put down a new floor in the one-half of the building. The partition had been taken out earlier in the week.

The grass was cut and the grounds well policed by an able squad of "extra duty" men.

There were ten or twelve of the regulars on hand bright and early Monday morning to change the door and window around on the south and west sides of the building.

The floors were mopped clean as any job in the Navy could do—by a "soldat" at that.

The windows were treated to a refreshing rub down and there is some hope of them getting a real polish in the near future.

The work has been done by ten or twelve of the regular fellows, in spirit and action, of the Post. There is no excuse for anyone not helping because he does not know what to do. Come over any time and someone can give you something to do if your eyes do not find it for you.

It is indeed gratifying to the sponsors of the move to obtain a permanent and independent home for the Post, to hear the daily remarks of approval made by friends and visitors in Narberth.

There is a great deal to be done, and it is up to every member to pitch in and do his share.

### FURNISHING OUR NEW HOME.

A resident of Narberth and a member of the Post, with a heart larger than the nth degree, has started a fund for furnishing our new home with a sum in three figures.

We are not permitted to disclose his name at this time, so we as individual members of the Post must express our deep appreciation for this gift through our Post Commander.

## Narberth Women Lead in Registration

It will no doubt be a source of gratification to the women who worked so incessantly and tirelessly on the recent registration, as well as the other women of the borough, to know that Narberth had the highest registration of any district in the State. May Narberth continue to lead.

### CAUGHT IN THE ACT

Why go to Wimbledon, or Forrest Hills or even Germantown, folks, when you can get action like this right on our own home courts? On the right, Mr. C. L. Warwick; on the left, Mr. Hal, alias Dick, Fenno, snapped by an Evening Ledger photographer in the opening match of the Tournament.

Eastmead will meet Warwick and Shaw, and Grugan and Newell will meet Kirkpatrick and Staples. The winners of these two matches will meet next Saturday, September 18, for the final match.

### It Was Some Long Match.

The big feature of the Labor Day program started around 11 o'clock in the morning, and went on, and on, and on, until half the wives in Narberth whose husbands are members of the Tennis Association had given said husbands up for dead, and Doe Hartley and several others had been summoned for lunch no less than seventeen times. And still the match continued.

Van Auken and McKell won the first set 6-4, not so easily that it looked like a runaway match, but with enough margin to lead most of the spectators to believe that they would likewise come through in the second set. And the next set, up to about the eighth or ninth game, seemed to bear out that feeling. Then "Mac" whispered a few words of cheer to "Gentleman Jim" Eastmead, or "vice versa," or "viva voce," or whatever it was that Bill Hall said one night at a meeting of the Board of Trustees, and then the tide turned and the game score was tied at 5-5. But even after that, for quite some time, it still looked as though Van Auken and McKell might win the set and the match. But McCahill and Eastmead kept climbing and fighting and winning until quite to the surprise

battling net-men put away in quick order and were thus able to stagger around the ring for a few more rounds. Finally, at a few minutes before 2 o'clock Eastmead and McCahill after trying the score at 10-10 succeeded in getting two more games and winning the match. Fifty-two games—and a big majority of them deuce games—without any intermission, is some endurance contest!

Seriously speaking, McCahill and Eastmead fought a hard, up-hill battle. The former's instant seizure of every opening that offered the least opportunity was a big contributing factor in winning the match, while Eastmead's calmness throughout the contest was one of the team's biggest assets.

The rain prevented any afternoon matches, and so stopped the tournament until this afternoon. During Saturday afternoon and Monday morning good progress was made in both the doubles and the singles tournaments.

This afternoon playing will be resumed in both the regular and the consolation matches. There will also be playing some of the afternoons next week. The final match in the doubles is scheduled for next Saturday, while it is hoped to reach the final match in the singles the following Saturday. The summary of the playing last Saturday and Monday follows:

**TO THE READERS OF OUR TOWN.**

There are times when it must seem to our readers that Our Town as a newspaper is almost newsless. We do not attempt to print the doings of the outside world (our daily newspapers give us his), but happenings in our own little town, or news about those who live here, is what we attempt to print, and this local news, of course, would not be of interest to readers of the big city papers.

Short articles of doings past, present or future, concerning Narberth can be written by residents old and new, and we are sure there are many who are able and willing.

Please remember that Our Town has no paid reporters, in fact, no paid workers, and is printed every week for your benefit, the work being done by a few, and they are busy people.

Many who have helped in the past have moved away from Narberth, and if our new people do not help the burden will rest on a diminishing number. Send your Fireside items and news items or ideas on the future possibilities of Narberth or parts of it to Our Town, Box No. 966.

To the Editor of Our Town:

The hilarious actions of a few of the rough-necked gentlemen of Narberth were very disgraceful last Saturday night. Four of Narberth's young men could be seen in a Buick car going up

and down the streets of the town at a speed close to forty miles per hour, regardless of the borough's speed laws, regardless of the lives of the men, women and children, and the most disgraceful part of all was that the occupants of the car were in an intoxicated condition. Luckily no one was killed, as the people managed to get out of the way of the wild riders.

Should actions of this kind be repeated, and is there no way by which the borough officials can enforce the traffic laws, or must we tolerate such actions and wait until someone in our families is killed and then start to do something?

The young men referred to are well known, and if the borough officials do not take some action to stop this murderous, rough-neck driving by intoxicated boys, the proper State authorities will be notified and some action taken.

**COUNTY TAX NOTICE.**

Property Owners: This is the only notice you will receive of county taxes due September 15th. Write to the County Treasurer, Norristown, Pa., giving the street address of your properties, enclosing two-cent stamp for reply, and he will mail you bill.

Or send your check for 2 mills or .002 per cent. of assessed value, enclosing two-cent stamp for return of receipt.

A penalty of 5 per cent. will be added after September 15th and after January 1st you are liable to a heavier penalty imposed by the Delinquent Tax Collector.

Irvin H. Bardman is the County Treasurer's name, and he may be addressed at Norristown, Pa.

**SALARIES UP IN POST OFFICE.**

First and second class post office employees along the Main Line received increases in salaries on Thursday through changes of grade proposed by the Post Office Department. Clerks and carriers are principally affected. The old and new grades of pay are: Grade 1, \$1,000 increased to \$1,400; Grade 2, \$1,100 increased to \$1,500; Grade 3, \$1,200 to \$1,600; Grade 4, \$1,300 to \$1,700; Grade 5, \$1,400 to \$1,800, and Grade 6, \$1,500 to \$1,800.

**MONTGOMERY TAX SMALL.**

Montgomery County is one of the cheapest counties in the State insofar as taxes are concerned. In Philadelphia it costs 6 mills on the dollar to reside there, and the cheapest occupation tax is 60 cents. Here the price is 20 cents, or 2 mills.

In Lehigh County the rate is 3 mills and the valuations run from \$100 to \$800, the latter for physicians. Artists are valued at \$500; barbers, \$200; bookkeepers, \$300; merchants, \$500; confectioners, \$500; professors, \$600.

Montgomery's rate runs from \$100 for laborers and housekeepers to \$200 for professional men.

In Berks County the grades of valuation are more exacting, and one class reaches \$1,000 valuation, or \$4 tax. This is the merchant who does a business above \$20,000. This kind of a business man needn't kick at his tax of \$4, but even at that the taxation is 2 mills above this county.

**POPULATION NEAR 200,000.**

Montgomery County Census Return Shows 29,720 Increase in Past Ten Years.

Census figures for Montgomery County, published last week, give the county a total of 199,310 residents, as against 169,590 in 1910 and 138,995 in 1900. In the list of figures issued appeared the Upper Merion Township population return of 4,005. The township had 3,910 in 1910 and 3,480 in 1900. The figures for Lower Merion and Narberth borough had been announced previously, and with Upper Merion they give the corner of the county this side of the Schuylkill River a total population of 31,575 out of Montgomery County's 199,310, or 15 per cent.

Norristown borough has a total of 32,319. The population of Conshohocken is given at 8,481 and that of Pottstown at 17,431.

**ITS FRIENDLY WAY.**

"How are we to meet the high cost of living?"

"You don't have to meet it," answered the irritating person. "It over-takes you."—Washington Star.

**The Memorial Subject**

"All earth has witnessed that they answered as befitted their ancestry, that they endured as the strong influences about their youth had taught them to endure. They willingly left the unachieved purpose of their lives in order that all life should not be wrenched from its purpose, and without fear they turned from these gates of learning to those of the grave."

The above is a part of an address made by Rudyard Kipling at Edinburgh University, published by the London Spectator, and reprinted in the Evening Bulletin of September 7th. It recalled to the writer's mind the memorial subject which has been discussed in Narberth for the past two years. Our Memorial Committee has made a most noble effort and have worked out a proposition which if consummated would be a great credit to them and to the community. Years hence we will say that the Fire House Memorial would have been fine, but at present the idea does not seem to be exactly the right one to satisfy all those who might be asked to help complete it. Our local Post of the American Legion, which although it does not actually represent every veteran who went from Narberth to the world war, is a good majority and represents the men for whom a memorial is to be erected. They have during the past few weeks taken an option on a small building and a piece of ground at a figure very much below its actual worth, and it seems that every member of the Legion Post is looking forward to a Legion Home on this site.

While it is not considered good form to look a gift horse in the mouth, and the members of the Legion Post will not ask the people of Narberth to help them to the very limit of their ability. As a suggestion the Memorial Committee might give up the Fire House plan and erect in the planted circle north of the railroad station a granite shaft or column and place a bronze tablet telling a story of why and to whom the memorial is dedicated. The plot could be greatly improved by paths and plantings which would quite likely meet with the approval of the owners, the railroad company. The cost of this form of memorial would not be great, and the people of Narberth would certainly subscribe to a memorial a lot more than its actual cost. The balance of the funds could be given to the local Legion Post to use in purchasing their home, and will certainly be well invested and much appreciated.

In the event of this proposition being accepted by the general committee the sub-committee in charge of the details would have to take up with those who have already made contributions and pledges, as to what part of the original pledge they would be willing to contribute to the less expensive memorial.

**ABOUT DAHLIAS.**

Now is the time to disbud your dahlias. Pinch out two of the three terminal buds and the remaining bud will develop into a much larger flower. If you want to go further you can go right down the stem or branch and cut off or pinch out all the side shoots or branches. This will make still larger flowers. Water at least twice a week if it does not rain heavily, and water thorough, soak the ground around the roots.

Our Dahlia Show is just two weeks away, and we are expecting a great display.

President Asks Governors to Set Aside That Day for Observance.

Washington, Sept. 7.—President Wilson, in a proclamation today, urged State Governors to set apart Saturday, October 9, as fire prevention day and to request a general observance by the public.

The need for bringing "before the people the serious and unhappy effects of the present unnecessary fire waste and the need of their individual and collective effort in conserving the natural and created resources of America" was said by the President in his proclamation to be especially urgent.

**29,720 Increase in Montgomery**

**THE CENSUS BUREAU ANNOUNCES POPULATION OF COUNTY STANDS NOW AT 199,310. INCREASE IN LOWER MERION FIGURES.**

Montgomery County's increase in population is 29,720, it was announced by the Census Bureau in Washington. Population figures for boroughs and townships of the county also were made public.

In 1910 the population of the county was 169,590, and the count of noses this year gives 199,310.

Lower Merion Township's population jumped from 17,671 in 1910 to 23,866 in 1920.

The township and borough figures are:

These figures are disappointing, in that it was expected that the increase would be much greater in the past decade than it was in the previous one.

It had, indeed, in some quarters, been anticipated that the population would reach the 225,000 mark, thus enabling the Legislature, at its sessions next winter, to establish Montgomery County as a separate Congressional district.

Aside from that, there was also the hope that the population of the various sections would be sufficiently advanced to enable the rearranging of the Assembly districts, whereby five could be created, one more than we have at present. It is doubtful now whether this change can be effected.

**The Auto Bus Line**

Passenger Service Started Between Bryn Mawr and the City.

The Lancaster Bus Line has started a passenger service between Bryn Mawr and Sixty-third and Market streets, Philadelphia.

The buses will seat twenty passengers comfortably and will stop at all points between Roberts road, Bryn Mawr and Ardmore, and the elevated line at Sixty-third and Market. The service will run day and night and the rate of fare will be ten cents between Bryn Mawr and Ardmore and ten cents between Ardmore and city line. This will make a total charge of twenty cents for the entire trip, as no fare will be charged from city line to the elevated line.

One of the big buses has been making the trip for the past two days and two more will be in operation soon. Five more will be placed on the road as quickly as they are turned out from the factory. When they are all in the service there will be a car passing every ten or fifteen minutes, as there will be four running each way all the time.

This service should prove a popular one, not only as a money saver, but for the convenience it will present to residents along this section and to residents of the city who work in Bryn Mawr and Ardmore.

The above department should be of the greatest use to the community, the list contains the name of every professional man, tradesman, mechanic, shopkeeper, etc., who does or can in any way serve his fellow-townsmen, and who is progressive enough to add name to list of Register. As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such, it would be most helpful if those not now found in the printed list would send in a memo of their names, address, phone numbers and businesses or professions for listing. This will cost as follows: 10 cents each issue for 3 lines; 5 cents for each additional line.

#### NOT TO BE BEATEN.

An Alabama ducky, who prided himself on being able to play any tune on the banjo after he had heard it once, perched himself on the side of a hill one Sunday morning and began to pick the strings in a workmanlike manner.

It chanced that the minister came along. Going up to Moses, he demanded harshly: "Moses, do you know the Ten Commandments?"

Moses scratched his chin for a moment, and then, in an equally harsh voice, said:

"Parson, jest yo' whistle the first three or four bars, and I'll have a try at it."

### Main Line Base Ball Schedule Extended

(Continued from Page 1.)

Scores September 6th P. M.  
Wayne, 7; Narberth, 3.

In the only Main Line League game in the afternoon on Labor Day, Wayne went into first place by defeating Narberth 7 to 3. Bryn Mawr and Berwyn, who were tied with Wayne for first place as a result of the morning games, did not play, and will have to settle it some other time before a winner of the second half can be decided.

The outstanding feature of the Labor Day afternoon game at Narberth was an incident about an accident that happens in the best regulated ball games.

A foul ball glanced off a bat and threw a wicked leap toward Sabine avenue. It banged through a window, and the players and spectators were looking forward to a fight, a bawling out or a lawsuit, when the lady of the house smiling threw the ball out into the street.

It is so seldom that foul balls are as graciously received and returned in the neighborhood of the ball field that loud applause expressed the crowd's appreciation.

Of course the ball club will pay for any damage, and they say once again, Hurrah for Mrs. Cotter!

### THE FIRESIDE

(Continued from Page 1.)

Mr. A. P. van der Burch, the Consul for the Netherlands, has located in Narberth.

Mr. and Mrs. A. J. Fox, of Buffalo, have been visiting their son, Walter A. Fox, and family, in Narbrook Park.

We are glad to welcome Mr. E. Horace Kempton, who has recently located in Narberth at Antwyn Farms.

Civic Association directors meet in Council Chamber third Thursday, the 16th, at 8 P. M.

Mr. and Mrs. Victor D. Abel and their daughter, Virginia, have returned home to Narbrook Park from Ocean City.

Mr. and Mrs. Joseph R. Aiken and family have returned to their home at No. 4 Narbrook Park, having spent July and August at Atlantic City.

One of the society editors of Our Town is wondering if "The Breakers" at Ocean City is well named. Not those that break themselves on the beach, but those who hand you a bill and remind you of the High Cost of Loading.

Among the new residents are Mr. and Mrs. Raymond B. Vincent, who are now residing at 87 Windsor avenue. Mrs. Vincent is the sister of Mr. T. Noel Butler.

We now have Aeroplane Service between New York and San Francisco. Planes will leave each terminal at 5.30 daily. The first one left on Wednesday, September 8, 1920. The scheduled time to make the trip between New York and San Francisco is 56½ hours. The stations between the terminals will be Cleveland, Chicago, Iowa City, Omaha, North Platte, Cheyenne, Rock Springs, Salt Lake City, Elks and Reno.

The Women's Foreign Missionary Society of the Methodist Episcopal Church will be entertained at the home of Mrs. Fletcher W. Stites, 413 Haverford avenue, on Monday, September 13, at 2.30 o'clock. Miss Lodge, of Lansdowne, will be the speaker. A special program has been arranged, as it is Mite Box opening day. All members and friends are invited.

#### THE RAINY SUMMER

From the Co-operative Observer of the Weather Bureau at Narberth we have the following:

"Precipitation at Narberth has been well marked all through the summer, as shown by the figures below in inches. June, 5.47; July, 6.79; August (to 22nd), 6.54.

In fact, with the exception of January and February all the months of the year have shown heavy precipitation. As a result an abundance of vegetables and fruits have been reaching the markets at a price within reach of most people.

We are now approaching the months when precipitation is usually light and the present excess may possibly be reduced or even wiped out by spells of dry weather before the winter season sets in."

#### McMIV, OF LONDON.

Two Highlanders stood looking at the imposing facade of a building in Westminster. The corner-stone bore the date in Roman characters, "McMIV."

"Luke a' thot, Angus," said one. "Ah've never heard th' name McMiv before, but there's a Scotsman who's got his name on one of th' finest buildings in London. Ye can't keep 'em down, can ye?"—Lodon Tit-Bits.

### AMERICAN LEGION

(Continued from Page 1.)

#### VICTORY MEDAL BLANKS.

The necessary blanks and affidavit forms for obtaining your Victory medal have arrived. See the Post Adjutant.

#### NARBERTH AMERICAN LEGION BUILDING AND LOAN ASSOCIATION.

The Association opened the first series last evening with over 500 shares.

The series will be held open for at least two months, so everyone still has an opportunity to become a stockholder.

We had hoped that every member of the Post would subscribe to at least one share. It is your opportunity to save and show your faith in your fellow legionnaires.

#### DIVIDENDS MAY BE GIVEN ON WAR RISK INSURANCE.

There will be no reduction in the rates for War Risk Insurance, without Congressional action, according to R. G. Chomeley-Jones, Director of the Bureau. Reports have been circulated to the effect that the Bureau is operating at a great profit and would lower the rates next year.

This report was based on the statement of one of the officials of the Treasury Department that the ratio of death losses to the gross expected death losses as computed by the American Table of Mortality was less than 40 per cent. Hence, the War Risk Insurance Bureau was expected to reduce the charges.

This is not only impossible, according to Mr. Chomeley-Jones, who says that if the Bureau shows a profit above all possible expenditures at the end of the present calendar year, a dividend to policy holders may be made.

The War Risk officials are having to establish their own precedents as the tables used by the ordinary life insurance companies have been found to vary greatly from the results obtained by the Bureau. This is caused by the acceptance of all kinds of risks whereas the commercial companies are more restricted in the class of business they can do. Therefore, the War Risk Bureau must move cautiously for several years until some accurate table of mortality is devised for its particular class of business.

#### WEDDING CHIMES.

On Wednesday, September 1st, at West Side Presbyterian Church, Germantown, Mary B. Dull, of Narberth, and Frederic A. Tayler, of Germantown, the ceremony being performed by the Rev. Dr. Wm. Porter Lee.

#### WEIR—HENDRICKS.

The wedding of Miss Mary Dixon Hendricks, daughter of Mr. and Mrs. John Randolph Hendricks, of 1533 North Fifty-fifth street, and Mr. James Holman Weir, of Narberth, Pa., took place last evening at the home of the bride's parents. The ceremony was performed by the Rev. Mr. Hort, of Bethlehem, Pa., former pastor of Calvin Church.

The bride was attended by her sister, Mrs. John Newman Christie, and Mr. David Ober Wolf, of Pittsburgh, Pa., fraternity brother of the bridegroom, was best man.

Mr. and Mrs. Weir have left on a trip through the White Mountains, and will be at home after December 1 at 523 Dudley avenue, Narberth, Pa.
